belled at Handling Cen-
tral's Freight.

bany and Fitchburg Roads

Prospect That Arbitration May
Be Forced Upon the New
York Central.

TERRE HAUTE, Aug. 23.—The head-
quarters of the members of the Supreme
Council of the Railroad Federation
called together to-day to consider the
New York Central strike was a busy place
this morning.

The first to put in an appearance was
George W. Howard, Grand Master of the
Brotherhood of Conductors, and Vice-
President of the Council.

E. P. Sargent, Grand Master of the
Brotherhood of Locomotive Firemen, is
President of the Council.

The other present were J. J. Hanahan,
Vice Grand Master of the Firemen's
Brotherhood; Eugene Dabs, Grand Sec-
retary and Treasurer of the same;
George Lovejoy, Assistant Grand Mas-
ter of the Conductors' Brotherhood; S. B.
Wilkinson, Grand Master; P. H. Morris-
sey, Vice Grand Master, and W. Sheehan,
Grand Secretary of the Trainmen's As-
sociation, and Chief Sweeney, of the
Switchmen's Union, with his two adju-
tants.

The only absentees were the two Los
Angeles delegates of the Conductors' Union,
and substitutes were selected for them
by Mr. Howard.

Mr. Sargent was seen at his hotel this
morning and expressed himself as follows:
"When the Council convenes this
morning I will make my report of what I
learned on my visit to New York. This,
I think, will occur three hours."

"How long will the convention last?"
he was asked.

"Maybe to-day, maybe a week, but
the latter I think improbable. Please
quote me now simply as a member of the
Railroad Federation. I have only one
voice in the matter, but I am heartily in
accord with Mr. Howard."

"I am satisfied that organized labor is
in danger, and that least means
disintegration for all unions of labor men."
When in New York Mr. Webb sent
for me. I would not have called on him
otherwise. He treated me very well, but
I asked him why he did not treat with
Mr. Powderly. He said he did not want to
discuss the situation with a third party.

"If I called on you in the interest of
the firemen would you decline to treat
with me?" I asked him.

"To this he made an evasive reply, and
I left him. In conclusion he said: 'It
is necessary to extend the strike, the
Council will extend it. The Council is
the champion of organized labor, and we
want the whole country to know it.'"

Interviews with Messrs. Hanahan,
Morrissey and Sweeney show that they
recognize that the strike of the country
on them. They and their associates are
to decide as soon as possible whether or
not the greatest strike the United States
has ever seen will be investigated.

Each expressed the wish that nothing
should be done hastily, that every phase
of the situation should be discussed by
men with the most deliberation.

When the conclusion will be reached is
something that cannot be speculated upon.
It may be a day or three days before
the matter is decided.

11:30 A. M.—There is a guard at the door
leading into the meeting room of the
hotel, but the Evening World correspond-
ent recognized Grand Master Sargent's
voice raised in a high key as if making
an address to his fellow members of the
Council.

Mr. Sargent said last night that he ex-
pected to talk for two or three hours, and
there is no doubt but that he is now en-
gaged in that performance.

Grand Master Howard, the Conductors'
delegate, filled the vacancies of the two Los
Angeles delegates by appointing George
W. Lovejoy, of Terre Haute, and J. J.
Nelson, of St. Louis.

D. A. H. Men Ordered Out.

A Tie-Up Ordered Because They
Handle Central's Freight.

ALBANY, N. Y., Aug. 23.—A tie-up was
ordered at noon by District Assembly
366, Knights of Labor, at the Albany and
Green Island yards of the Delaware and

Hudson railroad, because that Company
announced that it would continue han-
dling all freight that may be consigned to
it by other roads.

As this would, of course, include Cen-
tral freight, the Knights determined to
have the yardmen and switchmen, who
went out for the same reason several days
ago, again desert their posts this after-
noon.

The company expects to be able to fill
all vacancies without difficulty.

TWO ALBANY ROADS INVOLVED.

They Will Be Tied Up for Handling
New York Central Freight.

SPECIAL TO THE EVENING WORLD.
ALBANY, Aug. 23.—As a result of yes-
terday's conference of the representatives
of the Steam Railroad Men's Protective
Association, of Boston, and the Execu-
tive Board of D. A. H. K. of L., it is
said that by midnight a tie-up will be
ordered on the Boston and Albany and
Fitchburg roads, because both persist in
handling Central freight.

STOCKYARD MEN STILL OUT.

Railroad Men May Do Their Own
Switching Pending an Agreement.

SPECIAL TO THE EVENING WORLD.
CHICAGO, Aug. 23.—The strike of stock-
yard men continues unchanged. No
freight is going out and no switching is
being done, but cattle come in all right,
being shipped by other roads.

Superintendents of the various roads
met this morning, and it is possible that
they may do their own switching and
hauling until the Stockyards Company
comes to an understanding with its men.

There are only thirty-four crews em-
ployed by the yards, and there is no
immediate likelihood that the railroads
will be involved.

GETTING MEN AT KANSAS CITY.

A New York Central Agent Hiring
Workmen to Take Strikers' Places.

SPECIAL TO THE EVENING WORLD.
KANSAS CITY, Mo., Aug. 23.—Railroad
men are being employed in great numbers
by C. Miller, a guest at the Metropolitan
Hotel. They are guaranteed steady work
and good wages, but are not told where
there are to be put to work. It is pre-
sumed that they are hired for the New
York Central.

A carload of fifty men was sent Sat-
urday afternoon yesterday, and two
will be sent to-day.

Only packmen, switchmen, conductors
and firemen are hired.

OPPOSED TO A STRIKE.

Chicago Conductors and Brakemen
Said to Be Unwilling to Go Out.

SPECIAL TO THE EVENING WORLD.
CHICAGO, Aug. 23.—There seems to be
a difference of opinion between members
of the Council of Federated Railroad
Employees, and despatches from Terre
Haute lean to the view that there will be
no general strike ordered on the New
York Central.

Representatives of the conductors and
brakemen are opposed to a strike, and
they can prevent one, unanimity being a
requirement.

HOPE OF ARBITRATION.

Powderly and the Knights Hope
Relying on the State Board.

There are two questions to-day that are
uppermost in the minds of the Knights
of Labor who are engaged in making
their final preparations for the great con-
flict with the New York Central Railroad
system.

One of these is, what decision will the
Supreme Council of the Federation, which
has assembled to-day at Terre Haute,
arrive at in regard to the proposition to
join the Knights in their fight against the
big corporation?

The other is, can anything be done to
avert the threatened tie-up through the
mediation of the State Board of Arbitra-
tion?

The latter question is just at present re-
garded as of the utmost importance, for if
anything at all is to be accomplished in
this direction, it must be done imme-
diately.

The convention of District Assembly
246 is to be held at Albany on Monday,
and at that meeting, which all the big
Knights in this city will attend, the
final arrangements for the tie-up will be
completed, and the fight will be on.

By that time the action of the Federa-
tion chiefs will be clearly known and
when the skirmish line has once opened
there will be no way of closing it without
a fight.

Commissioner Donovan's efforts yes-
terday to induce the railroad people and
Knights to come together on a friend-
ly basis and agree to an arbitration was
utterly unsuccessful.

Mr. Webb refused to recede from the
position he has taken all along, that there
is nothing to arbitrate, while Mr. Powder-
ly, in behalf of the Knights, showed a
spirit of the utmost fairness, pleading the
need to hold itself in readiness to re-
spond to the call at a moment's notice.

RELYING ON THE STATE BOARD.
Mr. Donovan has still one recourse of
which the Knights are confident he will
avail himself, and which they feel sure
will be adopted by the State Board of
Arbitration.

The course indicated is an official in-
vestigation of the charges of the Law of
1897, one of the powers of the Board of
Arbitration is defined as follows:

"When a strike or lockout shall occur, or is
seriously threatened in any part of the
State, and shall come to the knowledge of
the Board, it shall be its duty, and it is
the duty of the Board, to cause an investi-
gation to be made, and to report thereon
to the Governor, and to the Legislature, and
to the public, and to the parties to the
dispute, and to the public, and to the parties
